RESUME OBJECTIVE

Enthusiastic and motivated individual passionate about embarking on a career as a Full Stack Developer. Equipped with self-taught proficiency in front-end and back-end technologies, I am excited to contribute to dynamic projects, gain hands-on experience, and collaborate with experienced developers. Eager to learn new technologies and make meaningful contributions to innovative solutions that drive business growth and user satisfaction.

EXPERIENCE

E-HAILING DRIVER, 10/2023 - Current

GrabCar Sdn. Bhd

- Maintained clean driving record and obeyed traffic laws and regulations.
- Provided excellent customer service throughout delivery process.
- Maintained a clean driving record with no violations or citations on file.
